The following is especially recommended to the attention of gentlemen of the Naval and Merchant service.

I, Henry B. Nones, Captain in the United States Revenue Service, in the service of the United States, do certify that I was for five months afflicted with the Inflammatory Rheumatism, and had tried every remedy by advice of physicians, without any relief—and finally, by advice of Dr. William Rockwell, Health Officer at Quarantine, I applied to Dr. M. WHAT IS LIFE Without Health ?-Philadelphia, December, 1837.—To Dr. Javne—Dear Sir: The astonishing and almost miraculous offerts your ex-pectorant had on my neighber, the Rev. Mr. Busting, whose case you will recollect, was given over by his physicians, and who himself had lost all hope of ever being permitted to preach again, but who, from the use of your medicine, is so far restored as not only to be able to walk out, but also so far restored as not only to be able to walk out, out also to preach, made so wonderful an impression on my mind, that after consulting with several friends and-learning that you were a regular Practitioner of Medicine, and that your remedy was not one of those quackish compounds with which the public are so frequelly duped—for you must know that I am a mortal enemy to quacks—I called upon you and purchased ball a dozen bottles, and told you that, if I lived to take them, you should have a good report from

and your Expectorant; and now I come forward sheerfully to tuifil my promise.

For twenty long years had I been a constant sufferer from the effects of a hard, dry courd, pain in my breast, and difficulty of breathing; the last five of which chilisand fevers, every spring and full, were added to my misery. I was worn away to a mere skeleton; with the greatest difficulty only could I get up and down stairs; my appetite was gone, and my strength had so far failed me that my frieads were personaled I could not survive many weeks, unless I obtain relief. Indeed, sir, my situation was so miserable to myself and so distressing to my family, that I felt willing to die whe never it should please the Master to take me home. But I heard of your medicine, and relief came. Yes, it proved the Balm of Gliead to my poor, afficted bridy—Before I had taked one bottle I experienced a mitigation of all my symptoms, and, to my great joy, I cound in the continued use of it the happiest relief. In short, sir, it has made a perfect curv of me, and I can truly say I have no desire to be better.

desire to be better.

Now, I consider it is a duty I owe you, and, through you, the public, to make my case known, believing that it will be the means of directing hundreds who are addicted as I have been to the use of a remedy, which, under the blessing of God, i consider to have preserved my life.
You are at liberty, sir, to make use of this letter to your advantage, and make my case as extensively known as you please. If there be any who doubt the truth of the above account, (for I have heard that many persons who have cures to sell forge certificates and publish them.) refer them to me. I shall be happy to see them, and I will not only confirm the above statements, but will give them particulars which it would be annecessary to furnish for the public press.
